

What is CyclopsEurope?

CyclopsEurope is a system developed by EMC Trading to receive, read, and price standardized email communications it receives in its dedicated inbox - cyclopseurope@commerzbank.com.

CyclopsEurope processes indicative pricing requests that are submitted in pre-defined standardized format, providing Sales and in some cases end clients with an accelerated access to the indicative price. **CyclopsEurope is also able to handle multiple requests at the same time hence allowing for “batch” pricing within one single email request.**
